Pitchforks

A golfer can never have too many pitchforks!

Etiquette on the golf course begins with a pitchfork. To fix the divot after playing the ball on the green shows courtesy to the fellow players and other golfers on the course. All golfers must have a pitchfork in the pocket – therefore it is the perfect tool for promoting your brand. Here you will find plenty of clever options and nice designs.

Dixon – Eco golf balls for the environment conscious player

Logo ball price list on request.

Dixon Golf has created a great deal of awareness in the golf world with the introduction of the world's first 100% eco-friendly golf ball. They have replaced lead, cadmium, tungsten and cobalt with their own formula without sacrificing elasticity, weight or hardness.

Dixon Fire – Pro-Performance

Dixon's tour ball, which gives you as a golfer the optimal ball for all situations.

Dixon Earth – High-Performance

Dixon's all round ball. It gives the golfer good length with nice feel and playability around the greens.

Dixon Spirit – Genuine finesse

Dixon's softer ball. The ball gives long flight, while at the same time good feel and control around the greens.

Dixon Wind – Ball with good distance properties

Dixon's standard ball. The ball has a slightly harder shell, which gives long and straight shots, both from the tee and fairway.

"Greener" golf

Dixon – Eco golf balls for the environment conscious player

Dixon Golf has created a great deal of awareness in the golf world with the introduction of the world's first 100% eco-friendly golf ball. They have replaced lead, cadmium, tungsten and cobalt with their own formula without sacrificing elasticity, weight or hardness.

Dixon Fire – Pro-Performance

Dixon's tour ball, which gives you as a golfer the optimal ball for all situations.

Dixon Earth – High-Performance

Dixon's all round ball. It gives the golfer good length with nice feel and playability around the greens.

Dixon Spirit – Genuine finesse

Dixon's softer ball. The ball gives long flight, while at the same time good feel and control around the greens.

Dixon Wind – Ball with good distance properties

Dixon's standard ball. The ball has a slightly harder shell, which gives long and straight shots, both from the tee and fairway.

Retailer

We sell only to retailers/resellers. Payment terms 20 days net.

Print formats

The original for printing should be sent as a vectorised PDF, EPS or AI, where all text is saved in the paths / text outlines. We always work from the PMS scale (Pantone Matching System), therefore please provide your desired PMS colour number. We of course want to reproduce your desired PMS colour as accurate as possible, but reserve the right for print on a coloured and transparent basis because all materials absorb colour differently.

Proofs

When we have made changes to your original or at your request, we will send a proof back to you for confirmation. We require an email address to forward your proofs.

Prices

All prices are in Euro and exclusive of VAT and freight. We reserve the right to deliver +/- 10% of the ordered quantity. We reserve the right to make price adjustments outside of our control, including catalogue printing errors. Prices valid until 2024-12-31.

Flexibility

Our logo bags and product combinations are very popular. Be inspired and vary the contents at your own requirements. A warm welcome to contact us for an offer.

Golf clubs/shops

When it comes to Dixon® eco-friendly golf balls and e.g. printing with the club's own brand/logo, special conditions apply.

Request a free quote or ask us for the conditions/price lists.

Wholesalers/producers/printers

When it comes to our own products, we are happy to provide a special quote/price list.
